

MARS HABITAT RESEARCH

Take notes on your assigned Mars Habitat Research topic in the designated space. You will be sharing the notes with your team. When your team meets, fill in the rest of the notes. Finally, create a list of criteria that the Mars Habitat must have based on your research.

RESEARCH STATION #1—RADIATION

RESEARCH STATION #2—ISRU

RESEARCH STATION #3—BASIC NEEDS

RESEARCH STATION #4—LIVING QUARTERS

RESEARCH STATION #5—EXERCISE
